

Vapster-Diesel
Dual Catalyst
Fuel Savers
954-296-2559

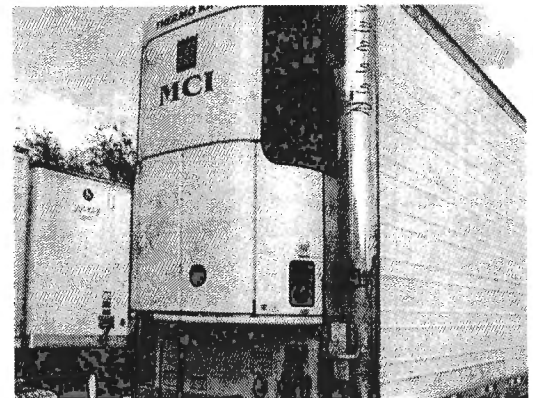

Features:

- Stainless Steel Construction
- NPT Pipe Fittings
- Great for Off-Road and Marine Applications
- Powder Coating Finish Available
- Installations Available
- Models Available for Most Diesel Applications
- Built with safety in mind, pretested

Benefits:

- Save up to 20% on diesel fuel costs
- Zero Maintenance
- Product Life 15-20 Years
- Reduces Emissions including NOx
- Keeps engine oil cleaner longer by reducing carbon deposits
- 5 Year Warranty against product defects
- ROI estimated at 6-9 months

Diesel Applications: Pickup Trucks, Refrigerated Trailers, Generators, Pump Jacks, Marine Engines, Off-Road Equipment, Mining Equipment, Diesel Powered Cars, Locomotives, Irrigation Pumps, Construction Equipment, Industrial Pumps

Manufacturer	Product Technology	3rd Party Testing Results	Price	Big Rigs	Pickups	TRU Reefers	Zero Maintenance
Vapster-Diesel	Dual Catalyst	13-22%	\$900-2,500	Yes	Yes	Yes	Yes
Hypertech Chips	Computer Chips	No	\$200-400	No	Yes	No	No
HHO Units	H2 Gas	No	\$200-10,000	Yes	Yes	No	No
BullyDog Tuners	Computer Chips	No	\$400-\$600	No	Yes	No	No
Superchips	Computer Chips	No	\$339	No	Yes	No	No
Fitch Catalyst	Single Catalyst	13.5%	\$200-400	Yes	Yes	No	Yes
Lucas	Fuel Additive	No	\$22/Gal.	Yes	Yes	Yes	No
Snow Performance	Methanol Injection	No	\$735-2,700	Yes	Yes	No	No
